

## **Job Opportunity.**

**Position: Lab Technician**

**Job Type: Full time**

**Ingram Tribology Ltd**

**Carmarthen, Wales**

### **Job summary**

As a lab technician at Ingram Tribology you will be responsible for operating multiple tribological (friction and wear) test rigs, 3D printers, and contribute to the general running of the lab and workshop.

At Ingram Tribology, we provide testing, training, and support services in the fields of Tribology and Lubrication sciences. We work with many clients from all over the world – helping to solve complex machine issues and develop new lubricants/coatings and material technologies. The candidate will get exposure to a broad range of engineering projects. Working as part of a small team, the candidate should be prepared for varied day-to-day tasks, working at the cutting edge of lubrication and interfacial engineering sciences.

### **Job responsibilities**

- Running multiple tribological test rigs and 3D printers to support projects
- Preparing test samples
- Collect and record data
- Support calibration and upkeep of test rigs and 3D printers
- General running of the laboratory, ensuring lab and workshop spaces are clean, and ensure lab resources and consumables are stocked

### **Job skills & qualifications**

- Ability to learn and use practical skills to operate mechanical equipment
- Receptive and mindful of health and safety processes
- An eye for detail to use equipment accurately
- Be able to manage time, working on multiple rigs for different projects
- Have a basic knowledge of IT including Microsoft office applications
- Work flexibly in a team in addition to being able to work independently
- Working in a lab environment safely

### **Preferred skills**

- Experience in using mechanical hand tools
- Basic understanding of lubricants and lubrication
- Experience working on research projects
- Experience working in a lab

**Job Types: Full-time, Permanent**

Salary: £18,000 -£27,000 per year

Benefits:

- Company pension
- Bonus scheme

Schedule:

- Monday to Friday
- 9 - 5:15

Ability to commute/relocate:

- Carmarthen: reliably commute or plan to relocate before starting work (required)

Work Location: In person

Application deadline: 31/05/2024
